Letter of compliance for HAGS UniMini Essentials and UniPlay Essentials

HAGS can confirm that the following HAGS UniMini Essentials and UniPlay Essentials, see list below, have been designed to the requirements of the European Standard for Playground Equipment, EN 1176-1 and EN 1176-3.

All these new Combinations will be officially added to HAGS Certification in due course; however, they are all designed with components already under TÜV Certification in the following valid Certifications.

- UniMini Essentials, HAGS standard UniMini Certificate Z2022757 1137 Rev 00
- UniMini Essentials, HAGS standard UniMini Certificate Z2022757 1138 Rev 00
- UniMini Essentials, HAGS standard UniMini Certificate Z2022757 1139 Rev 00
- UniPlay Essentials, HAGS standard UniPlay Certificate Z2022757 1130 Rev 01

Steel and timber post versions with different anchoring options, UniMini OM and SF, UniPlay OM, SF and CC. See complete list with article numbers and user ages below and on page 2.
